## About Our College

Our source of Inspiration  
Dr. H. Narasimhaiah  
(1920 - 2005)

The National College, Basavanagudi established in 1945, for commemorating the Silver Jubilee of the National High School, founded in 1917, is one of the premier institutions in the State of Karnataka. It is one of the seventeen institutions run by The National Education Society of Karnataka, Bangalore. Since its inception, the College has grown by leaps and bounds. It has become a synonym for **"Value based higher education"**. The College has celebrated its Platinum Jubilee in 2020. Manifesting the true spirit of Nationality, The National Education Society of Karnataka (Regd.), which is spearheaded by people of 'Vision' with a rare sense of commitment to nation building, in its existence of well over seven decades, has contributed to all-round development of the society.

It is a matter of pride that many of the alumni are people of eminence known not only all over the country but also abroad. The College has not made them just 'professionals' but people with integrity. Besides curriculum, the College with its consistent encouragement to extra curricular activities has produced administrators (I.A.S., I.P.S.), Scientists, Scholars, Theatre and Cine Artists, Sports personalities of national and international fame. The College premises hallowed by the visits of great leaders, including Mahatma Gandhi, is endeavouring to promote the ideals of secularism, humanism and scientific spirit enshrined in the tradition and constitution of The National Education Society of Karnataka. No wonder, The National College Basavanagudi, is one of the most sought after Colleges in the State.

## MOU signed with BASE

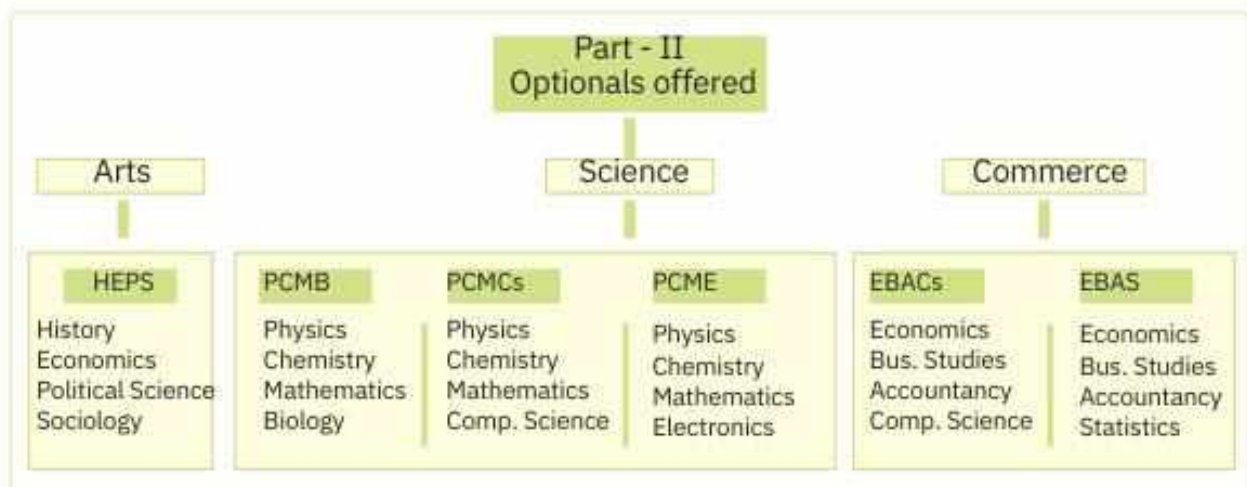

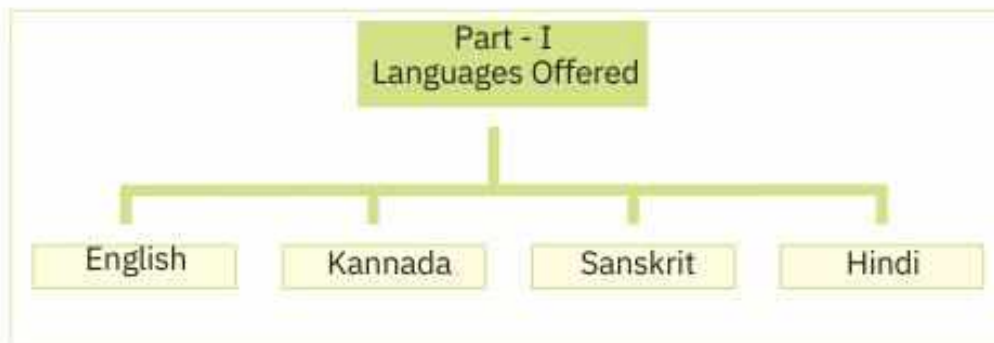

|| विद्या ऽ मृतमश्नुते ||

Be Ahead with Sustained Excellence

The National PU College, Basavanagudi, continuously strives to offer options and assistance for academic excellence. As part of this endeavour, the College has tied up with BASE for integrated course + CET to offer dedicated KCET training in the college campus to interested students. BASE Academy has been a pioneer of KCET /JEE /IIT training in the state and has firmly established its reputation and trust among the student and parent community over the years. Students aiming to pursue their higher education in the fields of Engineering, Veterinary Sciences, Pharmacy and Agricultural Sciences can opt for additional coaching from highly competent and qualified faculty of the BASE Academy.

### 3Combinations Offered

## Facilities

- ✓ Well equipped laboratories in Physics, Chemistry, Biology, Computer Science & Electronics.
- ✓ Availability of drinking mineral water using RO filter plant.
- ✓ CCTV surveillance.

## Padmabhushana Dr. H. Narasimhaiah Multi-Media Hall

### *Salient features of this state-of-the art hall:*

Video Conferencing with the facility to simultaneously connect to four different places in the world from the National College Basavanagudi.

Audio-Visual system integration is a scoring point

G-Panel enabling the invited speaker to control all devices from one position.

Touch screen has multiple functions involving Video Conferencing, Projections, Screen control, Studio control, Light and Sound control. Lectures from eminent scientists including Nobel laureates across the globe.

10. Under special circumstances the Chief Librarian reserves the right to re-call a book before the date of expiry.

11. Any difficulty or grievances felt in utilizing the library should be brought to the notice of the Chief Librarian

## Reference Section

A selection of books for reference in all subjects is kept separately in the Reference

Section in the I floor of the Library Block. Reference Section works on all working days from 9-30 a.m. to 5-30 p.m. and on Saturdays between 9-30 a.m. to 2-00 p.m.

## 9 Tests and Examinations

In accordance with the rules framed by the Department of Pre-University Education the following tests and Examinations will be conducted and Marks Cards are sent to parents for information and needful action.

- a) I Test for I PUC & II PUC  
II week of August
- b) 1st term examination for I PUC & II PUC  
II week of November
- c) II Test for I PUC & II PUC  
II Week of December
- d) Preparatory Examination for II P.U.C.  
As per the notification of the Dept. of P.U.E.
- e) Annual Examination for  
IPUC & II PUC  
As per the notification of the Dept. of PUE

The performance in all these tests and examinations, as well as attendance will be taken into consideration while finalising the results of the I year Pre-University students. The parents and guardians of the students are requested to meet the Principal atleast once in 3 months and ascertain the performance of their

wards in tests and examinations. Only those students having 75% attendance in each subject are eligible to appear for final examinations.

### Special Remedial Coaching Classes

Special Coaching for Weak students in English and Core subjects will be conducted through out the year, to encourage students for better academic performance.

### Role of Class Teachers

Each class will be personally monitored by a class teacher. He or she will act as local guardian for students and take note of their regularity, discipline and academic progress. The class teacher will also monitor his/her students constantly.

### Gandhi Study Circle

Gandhi Study Circle was established in the college in 1966. It has a well equipped library on Gandhian Literature. The library consists of about 6,500 books. The Scheme of intensive Study of National Literature is facilitated by this collection. Many well-wishers have contributed funds and books for the Gandhian Library.

## Certificates

1. All applications for certificates (viz. Date of Birth, Age, and Conduct) must be addressed to the Principal in writing and must be accompanied by a stamped self addressed envelope, if certificates have to be sent by post.

Applications for certificates should contain the following particulars :

- a) The student's full name
- b) The date of joining the college and the class to which the student was originally enrolled.
- c) In case of past students the class in which the student was studying at the date of leaving the college and the Register Number.

2. The following are the fees for the certificates:

- a) Date of Birth  
(as per admission records) Rs. 50.00

- k) to provide opportunities for education by the parent/the guardian, to his child or a ward between the age of 6-14 years as the case may be.

## Digital Transformation Robotics and Artificial Intelligence (AI) Lab

Digital transformation is the adaption of digital technology by the Institution. Goals for its implementation are to improve efficiency, value and innovation.

Unlike the traditional educational system, NEP aims to improve the overall development of students by helping them inculcate skills and knowledge via their education. Top industrialists feel that evidence of exceptional ability is more important than degrees from prestigious universities.

We have signed a MOU with Intel Technologies Limited for INTEL UNNATI Program. With an emphasis on hands -on exercises, the course covers Machine learning, Deep learning and deploying the models using Intel distribution of OPENVINO TOOL KIT. and AI ANALYTICS KIT .

lab; AI-Builder lab and AI-Research lab. All these labs are Internet connected so that the researchers can have access to them for 24 hours. All the staff and students will have access to Intel cloud at free of cost.

It is interesting to note that all students from standard 1 to final M.Sc. will have access for all the 24 hours. Infact Robotic labs among other things will have NINO (Biped Humanoid Robot), LED plane, AI projects, 3D printers.

Instead of spending 3 to 4 years for a degree, a student can be trained in a particular skill in AI within 3 months, to take up lucrative job in Industries.

**Students will be Awarded Co-branded Intel Certificates.**

AI lab is a boon to implement the policies of NEP in letter and spirit.

View of the Robotics Lab
